A Message From...

EXECUTIVE DIRECTOR, LAURA RAGAIN

We are so delighted to announce the expansion of our Ronald McDonald House® in Fort Myers. The House continues its mission of providing a home-away-from-home in the Southwest Florida region of Lee, Charlotte, Collier, Glades, and Hendry counties for families of children who require medical care. Parents who are not close to the essential care their child needs have the added stress of distance. Living expenses often increase, the added difficulty of long drives, interruption of jobs, separation from family and friends--all combine to create a need for the welcoming environment provided by "the House that love built."

We saw a consistent occupancy rate of more than 70% and frequently full through December of last year for an average length of stay of 24 days. All too often, families have had to wait for a room vacancy. The ever-growing specialty treatments available at Golisano Children's Hospital have also increased the need to provide for more children and families.

Though 2020 brought unexpected twists and turns, our generous Southwest Florida community allowed us to break ground on a ten room House expansion! Shortly after that and without hesitation, Project Design 2020 was underway! Our sincerest thanks to Suzanne Costa and Jeffrey Fisher for inviting Southwest Florida's top interior designers to transform a blank canvas into an incredibly beautiful, warm, and nurturing environment. We are beyond grateful.

Southwest Florida

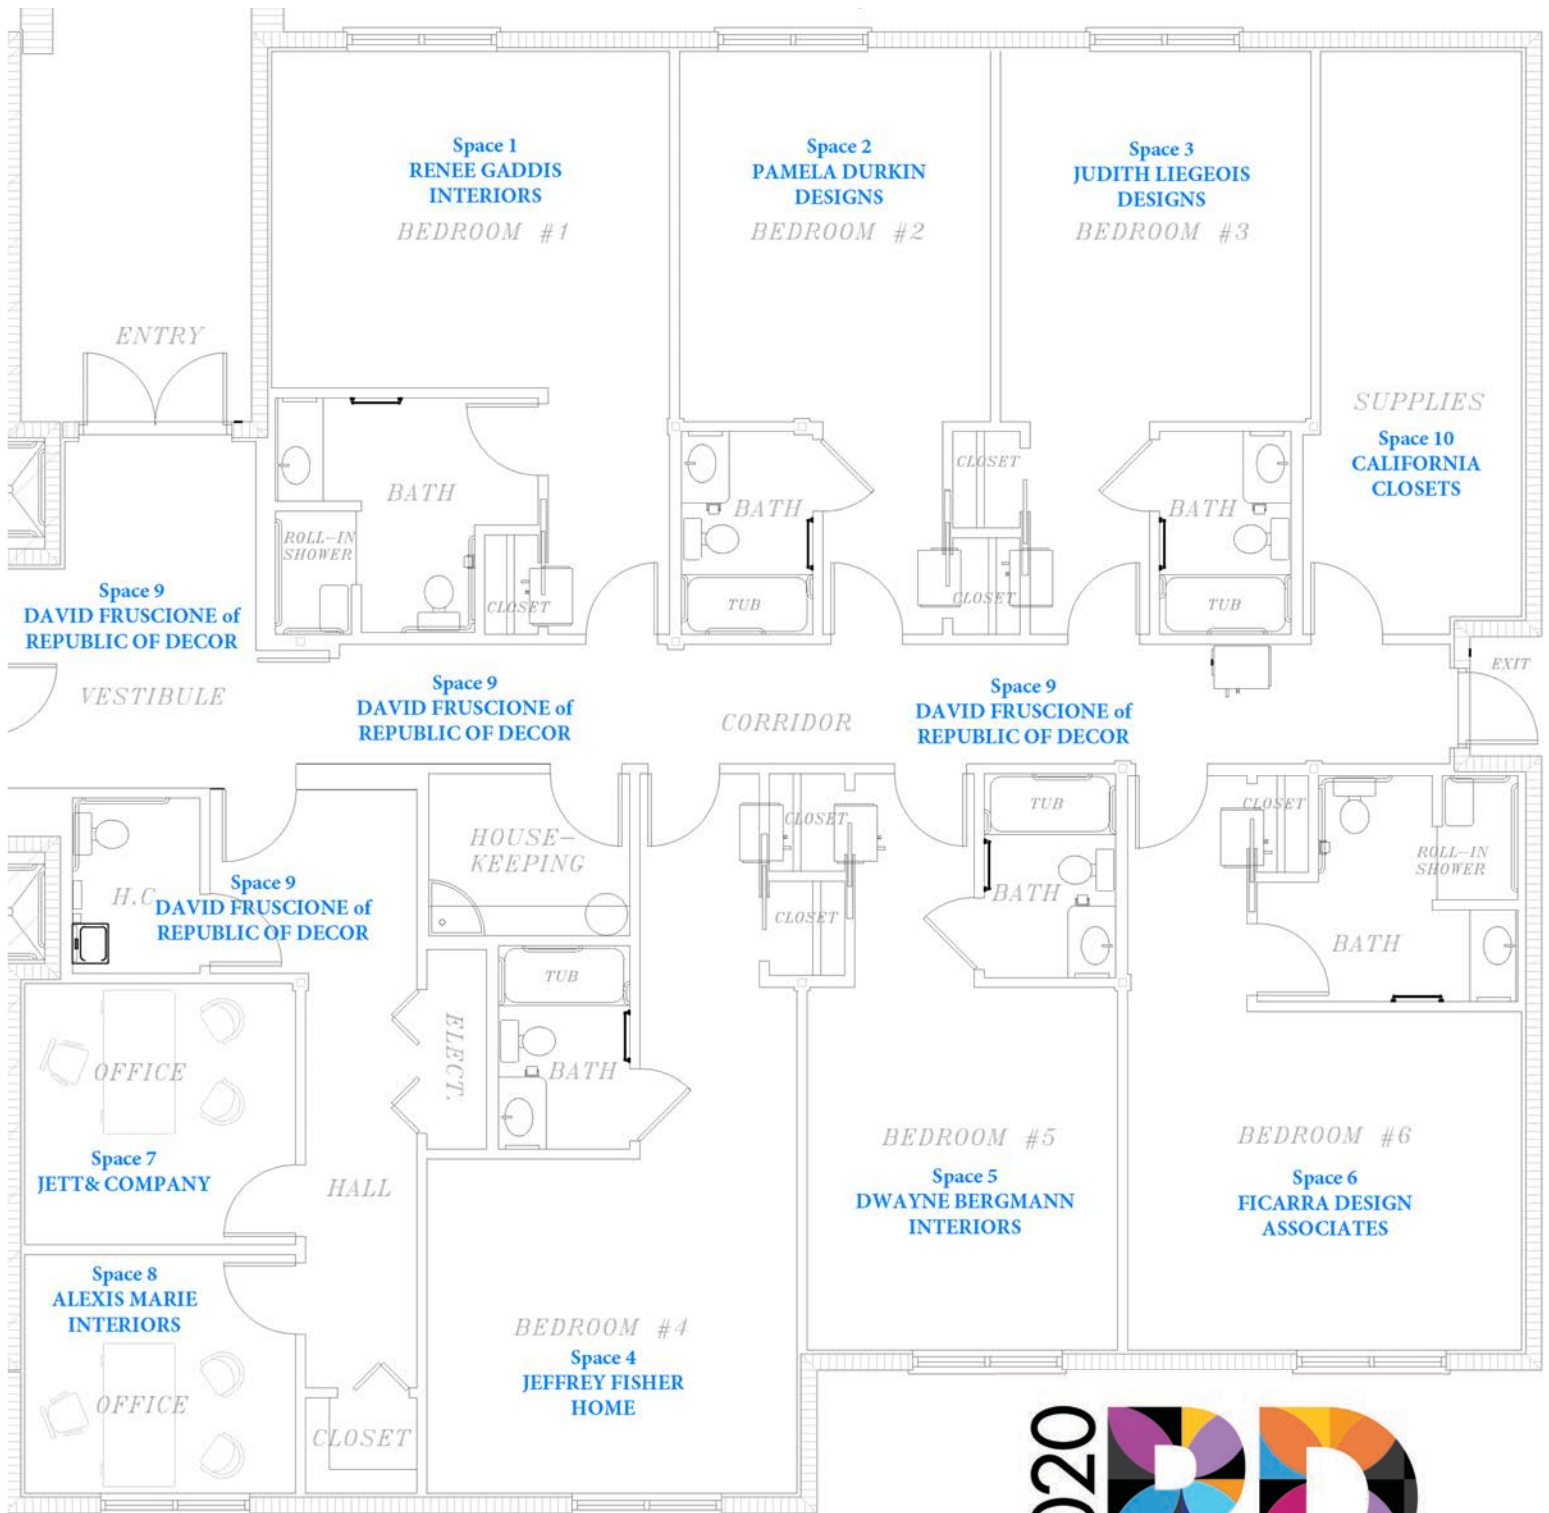

A Message From Suzanne & Jeffrey...

We are so honored to be chairing Project Design 2020 benefiting RMHC SWFL. The belief in great design transforming the energy of a space bringing comfort to families of seriously ill children is what started the very first Project Design in 2013 in New York. We collectively continue to work with this intention as we reveal the Fort Myers house expansion that includes 10 new spaces designed by 10 top luxury designers from the Southwest Florida area. It has been a wonderful journey leading this very worthwhile project and we thank the staff and volunteers at RMHC for allowing us into "the House that love built" once again.

Thank you for your dedication, time, and passion for Project Design 2020!

Put a little more love in our House...

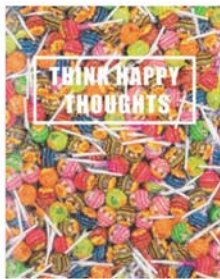

Design Dream Team

The following interior designers graciously donated their time and talent to make this project a success! We were honored to work with:

Alexis Marie Interiors

A Message From...

PROJECT MANAGER, LEANNA GONZALEZ

I never imagined I would have the opportunity to act as Project Manager for a second Project Design! My first experience in 2016 was nothing short of amazing, and Project Design 2020 proved to be no different! Having the privilege to work alongside many of Southwest Florida's most esteemed interior designers has been a true honor. Their selfless dedication to supporting the mission of Ronald McDonald House Charities of Southwest Florida is simply heartwarming. Throughout my 13-year career with the Charity, I have seen the happiness and heartache of the families we serve. I know the expanded Ronald McDonald House will afford much-needed comfort and healing during the most trying times. Thank you to all that shared their knowledge and guidance with me during this project.

With sincere appreciation,
Leanna Gonzalez
